Financial Policy

Full payment for services rendered is expected at the time of treatment.

Whether you have insurance or not, you will receive a 5% courtesy if you pay for your services by check or cash at the time they are rendered. Credit card payments can not be given the same courtesy.

If you have insurance, we require payment of your co-pay at the time services are rendered. You will have 30 days, interest free, to pay the remainder to our office. If your insurance is denied, you will still be responsible for paying the full amount to our office. Any amounts past due 30 days will accrue an 18% annual interest or \$20/month (whichever is greater).

Dr. Grayhills and Dr. Mohip are providers for select PPO plans, but do not participate in PDO, DMO or DHMO dental plans. While we will attempt to verify your insurance for you, IT IS YOUR RESPONSIBILITY TO UNDERSTAND THE TERMS OF YOUR INSURANCE POLICY and who you are eligible to see. We are not involved in your contract for dental insurance, although we will assist with your filing as described above.
